Julie  
It was not on our radar for this pass but I will look at it and see what we have to do to fix it.

**Subject:** drug lab office

Hi John,  
I'm not sure how I could have missed it, but there is a large area of damp, crumbling wall board in the Drug Lab Evidence office (room 354). It is on an exterior wall. Any chance we can get that taken care of?

Julie
